

## SkillSign's Test

---

**Test Name :** Adobe Acrobat CS4 ACE Practice

**Description :** SkillSign's Adobe Acrobat CS4 ACE Practice test is designed to help the candidate practice for Adobe Certified Expert (9A0-084) certification where subject is Acrobat 9.0.

**Syllabus :** **Test Outline**

- Creating and modifying PDF documents
- PDF accessibility and security
- Color Management and Separations
- Preflight and Validation
- Interactive PDF Forms
- PDF distribution and management

---

**Test Name :** Adobe ColdFusion 8

**Description :** SkillSign's Adobe ColdFusion 8 Test helps you practice for Adobe ColdFusion 8 certification 9A0-066.

**Syllabus :** **Test Outline**

- Programming fundamental
- Working with the Application framework
- Interacting with databases
- Working with XML
- Reusing code
- Managing client state
- Interacting with remote systems
- Managing files
- Tuning application performance
- Delivering and presenting information

---

**Test Name :** Adobe Flash Lite 2.0

**Description :** SkillSign's Adobe Flash Lite 2.0 Test helps you practice for Adobe Flash Lite 2.0 certification 9A0-064.

**Syllabus :** **Test Outline**

- Planning mobile application solutions
- Developing mobile application solutions
- Using ActionScript
- Recognize and interpret error codes in the authoring tool, mobile

---

emulator and the player for the mobile devices.

---

**Test Name :** Adobe Photoshop CS4 ACE Practice

**Description :** SkillSign's Adobe Photoshop CS4 ACE Practice test is designed to help the candidate practice for Adobe Certified Expert certification where subject is Photoshop 9.0.

**Syllabus :** Test Outline

- Image - Selection, Layers, Retouch, Resize
  - Fills & Overlays, Masks, Vector Paths, Image Effects
  - Color Management, Photographic Techniques
  - RGB Image Adjustments
  - CYMK Separations
  - Optimising Web Images
  - Slicing Images
  - Animation
- 

**Test Name :** Adobe Photoshop CS5 Practice

**Description :** SkillSign's Adobe Photoshop CS5 Test helps you practice for Adobe certification exam 9A0-150.

**Syllabus :** Test Outline

- Working with selections
  - Working with Layers
  - Using Masks and Channels
  - Working with Type and Vector tools
  - Adjusting and processing photographs
  - Retouching and Manipulating images
  - Working in Adobe Camera Raw
  - Painting and filtering an image
  - Working in Photoshop
  - Outputting for Print and Web
- 

**Test Name :** Advanced Linux Professional

**Description :** SkillSign's Advanced Linux Professional Mock Test is designed to help the candidate practice for Linux Professional Institute 117-201 certification.

**Syllabus :** Test Outline

---

- Linux Kernel
  - System Startup
  - System Maintenance
  - Domain Name Server
  - Filesystem and Devices
  - Networking Configuration
  - Advanced Storage Device Administration
- 

**Test Name :** Advanced Linux Professional 2

**Description :** SkillSign's Advanced Linux Professional 2 Mock Test is designed to help the candidate practice for Linux Professional Institute 117-202 certification.

**Syllabus :** Test Outline

- Web Services
  - File Sharing
  - Network Client Management
  - E-Mail Services
  - System Security
  - Troubleshooting
- 

**Test Name :** Basic HTML Sample

**Description :** SkillSign's HTML Sample 10 question test assesses your understanding and knowledge of HTML Basic Concepts.

**Syllabus :** This test covers the following topics: basics of HTML.

Test Outline

- Basic Concepts
  - Syntax & Tags
- 

**Test Name :** BI Infrastructure Design Using MS SQL Server 2008 Free

**Description :** SkillSign's BI Infrastructure Design Using MS SQL Server 2008 Mock Test helps you practice for Designing a Business Intelligence Infrastructure Using Microsoft SQL Server 2008 (PRO) certification Exam 70-452.

**Syllabus :** Test Outline

- Designing and Managing Reports
  - Designing Data Mining Models
  - Administering a BI Solution
  - Designing the BI Architecture
-

- Designing and Deploying SSIS Packages
- Designing an Analysis Services Database

---

**Test Name :** C Practice Free

**Description :** SkillSign's C Test assesses your understanding and knowledge of C Language programming.

**Syllabus :** The main topics in this test are: Arrays, C Expressions, Input/Output, Functions, Program Statements, Pointers, and Strings

**Test Outline**

- Arrays
- C Expressions
- Functions
- Input/Output
- Structures
- Language Elements
- Compiler Operations
- Program Statements
- Pointers
- Debugging and Error Handling

---

**Test Name :** C++ Practice Free

**Description :** SkillSign's C++ test assesses your understanding and knowledge of C++ language Programming. This Test is meant for experienced programmers and covers the following topics

**Syllabus :** Basic Structure, Classes, Declarations, Standard C++ Library, Derivation, Exceptions, Expressions, Overloading, Special, Member Functions, Statements, Templates, Basic Structure and Syntax, C++ Class, C++ Data Types, Class Derivation and Inheritance, Class Member Functions, Exception Handling, Fundamentals of OOD, and OOP.

**Test Outline**

- Object-Oriented Terminology
- Encapsulation and Classes
- Construction and Destruction
- Templates
- Exceptions
- Input/Output
- Inheritance
- Memory Management

- Polymorphism
  - Exception Handling
  - Overloading
  - Standard Template Library
- 

**Test Name :** CAPM Practice

**Description :** SkillSign's CAPM Practice Sample Test helps you practice for Project Management Intitute PMI's CAPM certification based on PMBOK 4th edition.

**Syllabus :** Test Outline

- Project Management Framework
  - Project Life Cycle and Organisation
  - Project Management Processes
  - Project Integration Management
  - Project Scope Management
  - Project Time Management
  - Project Cost Management
  - Project Quality Management
  - Project Human Resources Management
  - Project Communications Management
  - Project Risk Management
  - Project Procurement Management
- 

**Test Name :** CCNA Practice Free

**Description :** SkillSign's Cisco Certified Network Associate (CCNA) practice test assesses your preparation for CCNA exam.

**Syllabus :** Test Outline

- Routed and switched networks
  - Wireless Network Access
  - Enhanced Interior Gateway Routing Protocol (EIGRP)
  - Serial Line Interface Protocol Frame Relay
  - Access control lists (ACLs)
  - Ethernet
  - WAN
  - Security
  - IP
  - VLANs
-

**Test Name :** Certified Ethical Hacker

**Description :** SkillSign's Certified Ethical Hacker (CEH) Test helps you practice for EC-Council certification 312-50.

**Syllabus :** **Test Outline**

- Basics of Ethical Hacking
- Footprinting and Reconnaissance
- Network Scanning and System Hacking
- Trojans and Backdoors
- Viruses, Worms and Sniffers
- Social Engineering
- Denial of Service
- Session Hijacking and Hacking Webservers
- Hacking Web Applications
- SQL Injection
- Hacking Wireless Networks
- Evading IDS, Firewalls, and Honeypots
- Buffer Overflow and Cryptography
- Penetration Testing

---

**Test Name :** Cisco Advanced Wireless LAN for System Engineers Practice

**Description :** SkillSign's Cisco Advanced Wireless LAN for System Engineers Practice Test helps you practice for Cisco certification 642-681.

**Syllabus :** **Test Outline**

- Describe the technical functionality of Cisco unified wireless solutions
- Describe the technical benefits of Cisco wireless products to meet business requirements
- Describe the security features of the Cisco Unified Wireless solution set
- Assess customer's technical and business requirements
- Describe the requirements for implementing voice in a wireless network
- Describe the Cisco Lifecycle Services for Advanced WLAN

---

**Test Name :** Cisco Certified Network Associate ( CCNA ) Practice

**Description :** SkillSign's Cisco Certified Network Associate (CCNA) practice test assesses your preparation for CCNA exam.

**Syllabus :**            **Test Outline**

- Routed and switched networks
  - Wireless Network Access
  - Enhanced Interior Gateway Routing Protocol (EIGRP)
  - Serial Line Interface Protocol Frame Relay
  - Access control lists (ACLs)
  - Ethernet
  - WAN
  - Security
  - IP
  - VLANs
- 

**Test Name :**            Cisco IP Routing

**Description :**        SkillSign's Cisco IP Routing Test helps you practice for Implementing Cisco IP Routing certification 642-902.

**Syllabus :**            **Test Outline**

- Implement an EIGRP based solution, given a network design and a set of requirements
  - Implement a multi-area OSPF Network, given a network design and a set of requirements
  - Implement an eBGP based solution, given a network design and a set of requirements
  - Implement an IPv6 based solution, given a network design and a set of requirements
  - Implement an IPv4 or IPv6 based redistribution solution, given a network design and a set of requirements
  - Implement Layer 3 Path Control Solution
- 

**Test Name :**            Cisco IP Switched Networks

**Description :**        SkillSign's Cisco IP Switched Networks Mock Test helps you practice for Implementing Cisco IP Switched Networks certification 642-813.

**Syllabus :**            **Test Outline**

- Implement VLAN based solution, given a network design and a set of requirements
  - Implement a Security Extension of a Layer 2 solution, given a network design and a set of requirements
  - Implement Switch based Layer 3 services, given a network design and a set of requirements
-

- Prepare infrastructure to support advanced services
  - Implement High Availability, given a network design and a set of requirements
- 

**Test Name :** Cisco Sales Expert

**Description :** SkillSign's Cisco Sales Expert Mock Test helps you practice for Cisco certification 646-205.

**Syllabus :** **Test Outline**

- Describe Cisco's Strengths and Partner Benefits
  - Describe the Borderless Networking Architecture
  - Describe the Collaboration Architecture
  - Describe the Virtualization Architecture
  - Describe the Small Business Architecture
  - Describe how Cisco enhances partner profitability
- 

**Test Name :** Cisco Storage Networking Solutions - Designing Practice

**Description :** SkillSign's Cisco Storage Networking Solutions - Designing Practice Test helps you practice for Cisco certification 642-357.

**Syllabus :** **Test Outline**

- Perform a needs analysis that identifies the appropriate Storage Networking topology, protocols, and transport to meet customer's requirements
  - Identify the interoperability requirements of a customer's SAN
  - Design a solution that addresses a customer's SAN requirements
  - Design appropriate IP configurations for a SAN solution
- 

**Test Name :** CISSP Practice 50Q

**Description :** SkillSign's CISSP Certified Information Systems Security Professional Test assesses your preparedness for CISSP certification Exam based on CBK.

**Syllabus :** **Test Outline**

- Access Control
  - Application Development Security
  - Business Continuity and Disaster Recovery
  - Cryptography
  - Information Security Governance and Risk Management
  - Legal, Regulations, Investigations and Compliance
-

- Operations Security
  - Physical (Environmental) Security
  - Security Architecture and Design
  - Telecommunications and Network Security
- 

**Test Name :** Citrix Access Gateway 9.0 Implementation Enterprise Edition

**Description :** Skillsign's Citrix Access Gateway 9.0 Implementation Enterprise Edition Test assesses your preparedness for Citrix Access Gateway 9.0 certification Exam 1Y0-A13

**Syllabus :** **Test Outline**

- Planning the Networking and Deployment Architecture
- Initial Configuration and Basic Operation
- Configuring Advanced Options
- Configuring Access Policies
- Customizing the User Experience
- Integrating with XenApp
- Securing the Implementation

---

**Test Name :** Citrix NetScaler 9.0 - Basic Administration

**Description :** Skillsign's Citrix NetScaler 9.0 Basic Administration for Test help you practice for Citrix NetScaler 9.0 certification Exam 1Y0-A11.

**Syllabus :** **Test Outline**

- Planning the Network Deployment and Architecture
- Initial Configuration and Installation
- Managing and Securing
- Auditing and Monitoring
- Configuring High Availability
- Basic Troubleshooting

---

**Test Name :** Citrix Xen Desktop 4 Practice

**Description :** Skillsign's Citrix Xen-Desktop 4 test is designed to help candidate practice for Implementing Citrix XenDesktop 4 Exam A17.

**Syllabus :** **Test Outline**

- Defining XenDesktop Architecture
- Identifying Pre-Install Considerations
- Installing XenDesktop

---

- Building Provisioning Services vDisks
- Configuring Desktop Delivery Controller for XenDesktop
- Delivering Desktops
- Managing XenDesktop
- Troubleshooting Desktop Images for Virtualization/li>
- Delivering and Managing Applications

---

**Test Name :** Citrix Xen Desktop 5 Practice

**Description :** SkillSign's Citrix XenDesktop 5 Administration Practice Test helps you practice for Citrix certification Exam 1Y0-A19.

**Syllabus :** **Test Outline**

- Identifying Pre-installation Requirements
- Setting up the Infrastructure
- Configuring a XenDesktop Environment
- Managing a XenDesktop Environment
- Troubleshooting

---

**Test Name :** Citrix XenApp 5.0 Advanced Administration for Windows Server 2008

**Description :** SkillSign's Citrix XenApp 5.0 Advanced Administration for Windows Server 2008 Mock Test helps you practice for Advanced Administration for Citrix certification 1Y0-A08.

**Syllabus :** **Test Outline**

- Monitoring, Managing and Maintaining the Environment
- Scaling the Environment to Meet Business Requirements
- Maintaining Data and Server Integrity
- Troubleshooting
- Optimizing the Environment

---

**Test Name :** Citrix XenApp 5.0 Implementation for Windows Server 2008

**Description :** SkillSign's Citrix XenApp 5.0 Implementation for Windows Server 2008 helps you practice for Citrix XenApp 5.0 Implementation for Windows Server 2008 certification 1Y0-A05

**Syllabus :** **Test Outline**

- Understanding the Citrix Architecture
- Licensing and Installing Citrix XenApp
- Installing and Configuring Web Interface

- Configuring ICA Sessions
- Managing Applications
- Managing Citrix XenApp Policies
- Managing and Maintaining the Server and Farm
- Configuring Printing
- Troubleshooting Citrix XenApp

---

**Test Name :** Citrix XenServer Enterprise Edition 5.0

**Description :** SkillSign's Citrix XenServer Enterprise Edition 5.0 test is designed to help candidate practice for Citrix Exam A09.

**Syllabus :** **Test Outline**

- Pre-deployment Planning
- Installing XenServer Enterprise Edition 5.0
- Creating Virtual Machines
- Working with Virtual Machines
- Managing XenServer Hosts
- Determining Storage
- Business Continuity (HA and VM Recovery)

---

**Test Name :** COBOL Concepts Practice Free

**Description :** SkillSign's COBOL(Common Business Oriented Language) 10 question test measures your knowledge of basic concepts in COBOL.

**Syllabus :** The main topics in this test are: COBOL Elements and Fundamentals, Decision Making, Errors, File Processing, Process Statements, Input/output etc.

**Test Outline**

- COBOL Elements and Fundamentals
- Sequential File Organization
- Decision Making
- Process Statements
- Input/Output
- Record Access Methods

---

**Test Name :** Communication Skills

**Description :** Check your Communication skills. Take this 20 question test.

**Syllabus :** Standard Syllabus

---

**Test Name :** CompTIA A+ Essentials

**Description :** SkillSign's CompTIA A+ Essentials Test helps you practice for CompTIA A+ Essentials certification 220-701. This test measures necessary competencies for an entry-level IT professional.

**Syllabus :** **Test Outline**

- Hardware
- Troubleshooting, Repair & Maintenance
- Operating System and Software
- Networking
- Security
- Operational Procedure

---

**Test Name :** CompTIA A+ Essentials Free

**Description :** SkillSign's CompTIA A+ Essentials Test helps you practice for CompTIA A+ Essentials certification 220-701. This test measures necessary competencies for an entry-level IT professional.

**Syllabus :** **Test Outline**

- Hardware
- Troubleshooting, Repair & Maintenance
- Operating System and Software
- Networking
- Security
- Operational Procedure

---

**Test Name :** CompTIA A+ Practical Application

**Description :** SkillSign's CompTIA A+ Practical Application Test helps you practice for CompTIA A+ Practical Application certification 220-702.

**Syllabus :** **Test Outline**

- Hardware
- Operating System
- Networking
- Security

---

**Test Name :** CompTIA A+ Practical Application Free

**Description :** SkillSign's CompTIA A+ Practical Application Sample Test helps you practice for CompTIA A+ Practical Application certification 220-702.

**Syllabus :**            **Test Outline**

- Hardware
- Operating System
- Networking
- Security

---

**Test Name :**            CompTIA Linux+ Exam 1

**Description :**            SkillSign's CompTIA Linux+ Exam 1 Practice Test helps you practice for CompTIA Linux+ [Powered by LPI] LX0-101 certification.

**Syllabus :**            **Test Outline**

- System Architecture
- Linux Installation and Package Management
- GNU and Unix Commands
- Devices, Linux Filesystems, Filesystem Hierachy Standard

---

**Test Name :**            CompTIA Linux+ Exam 2

**Description :**            SkillSign's CompTIA Linux+ Exam 2 Practice Test helps you practice for CompTIA Linux+ [Powered by LPI] LX0-102 certification.

**Syllabus :**            **Test Outline**

- Shells, Scripting and Data Management
- User Interfaces and Desktops
- Administrative Tasks
- Essential System Services
- Networking Fundamentals
- Security

---

**Test Name :**            CompTIA Network+

**Description :**            SkillSign's CompTIA Network+ Practice Test helps you practice for CompTIA Network+ certification.

**Syllabus :**            **Test Outline**

- Network Technologies
- Network Media and Topologies
- Network Devices
- Network Management
- Network Tools

- Network Security

---

**Test Name :** CompTIA Network+ Practice Free  
**Description :** SkillSign's CompTIA Network+ Practice Test helps you practice for CompTIA Network+ certification.

**Syllabus :** **Test Outline**

- Network Technologies
- Network Media and Topologies
- Network Devices
- Network Management
- Network Tools
- Network Security

---

**Test Name :** Computer Hardware Basics  
**Description :** SkillSign's Computer Hardware Basics 20 questions test for intermediate users.

**Syllabus :** Standard Syllabus

---

**Test Name :** Computer Knowledge Basics  
**Description :** SkillSign's Computer Knowledge Basics 20 questions test for intermediate users.

**Syllabus :** Standard Syllabus

---

**Test Name :** Core Java  
**Description :** SkillSign's Core Java test in assesses your understanding and knowledge of Java language Programming.

**Syllabus :** **Test Outline**

- Declaration Initialization
- OOPS Concepts
- Strings
- Operators
- Exceptions
- Input/Output
- Development
- Inner classes
- Flow control exceptions
- Thread concurrency

- Overloading
  - Memory Management
- 

**Test Name :** Core Java Sample

**Description :** SkillSign's Core Java Sample 10 question test in assesses your understanding and knowledge of Java language Programming.

**Syllabus :** **Test Outline**

- Declaration Initialization
  - OOPS Concepts
  - Strings
  - Operators
  - Exceptions
  - Input/Output
  - Development
  - Inner classes
  - Flow control exceptions
  - Thread concurrency
  - Overloading
  - Memory Management
- 

**Test Name :** CSS Fundamentals

**Description :** SkillSign's CSS Fundamentals Test checks your quotient on CSS based on W3School specification.

**Syllabus :** Standard Syllabus

---

**Test Name :** CSTE Exam Practice

**Description :** SkillSign's CSTE Exam Practice test assesses your preparation for Certified Software Tester (CSTE) Exam.

**Syllabus :** **Test Outline**

- Software Testing Principles and Concepts
  - Managing the Test Environment
  - Building the Test Project
  - Software Test Planning
  - Executing the Test Plan
  - Test Reporting Process
  - Acceptance Testing
  - Software Developed by Outside Contractors
-

- Internal Control and Security
  - Testing New Technologies
- 

**Test Name :** Data Structures & Algorithm Basics

**Description :** SkillSign's Data Structures & Algorithm Basics assesses your knowledge of topics such as arrays, records, pointers, linked lists, stacks, queues, recursion, trees, sorting and searching.

**Syllabus :** **Test Outline**

- Arrays
  - Records
  - Pointers
  - Linked Lists
  - Searching and Sorting
  - Trees
- 

**Test Name :** DB2 9 Application Developer

**Description :** SkillSign's DB2 9 Application Developer Test assesses your knowledge of application development on DB2 9 and also helps in preparation for IBM certification 000-733.

**Syllabus :** **Test Outline**

- Database objects and Programming Methods
  - Data Manipulation
  - XML Data Manipulation
  - Embedded SQL Programming
  - ODBC/CLI Programming
  - .NET Programming
  - Java Programming
  - Advanced Programming
  - User Defined Routines
- 

**Test Name :** DB2 9 DBA for Linux UNIX and Windows

**Description :** SkillSign's DB2 9 DBA for Linux UNIX and Windows Test assesses your skill as DBA for DB2 9, on Linux, UNIX and Windows. This test also helps in preparation for IBM certification 000-731.

**Syllabus :** **Test Outline**

- DB2 Server Management
-

- Data Placement
- Database Access
- Analyzing DB2 Activity
- Utilities
- High Availability
- Security

---

**Test Name :** DB2 9 Family Fundamentals

**Description :** SkillSign's DB2 9 Family Fundamentals Test helps you practice for IBM's DB2 9 Family Fundamentals certification 000-730.

**Syllabus :** **Test Outline**

- Planning
- Security
- Working with Databases and Database Objects
- Working with DB2 Data using SQL
- Working with DB2 Tables, Views and Indexes
- Data Concurrency

---

**Test Name :** DB2 9.7 Application Development

**Description :** SkillSign's DB2 9.7 Application Development Test helps you practice for IBM certification 000-543.

**Syllabus :** **Test Outline**

- Database Objects
- Traditional Data Manipulation
- XML Data Manipulation
- Core Concepts
- Advanced Programming

---

**Test Name :** Designing and Developing Web Apps Using Microsoft .NET Framework 4 - PRO

**Description :** SkillSign's Designing and Developing Web Applications Using Microsoft .NET Framework 4 Test helps you practice for Designing and Developing Web Applications Using Microsoft .NET Framework 4 (PRO)certification 70-519.

**Syllabus :** **Test Outline**

- Designing the Application Architecture

- Designing the User Experience
  - Designing Data Strategies and Structures
  - Designing Security Architecture and Implementation
  - Preparing For and Investigating Application Issues
  - Designing a Deployment Strategy
- 

**Test Name :** ECommerce Concepts Practice Free

**Description :** SkillSign's E-Commerce Concepts Sample 10 question test assesses your understanding and knowledge in world of E-commerce

**Syllabus :** Test is meant for Managers and people with basic understanding of technology and business trends. It covers the following topics:

**Test Outline**

- eCommerce Building Blocks
  - Money Transactions
  - Business Models
  - Security
  - E-commerce Types
  - Procurement
  - Putting up an eCommerce Site
- 

**Test Name :** Email Etiquettes

**Description :** SkillSign's Email Etiquettes 10 question test assesses your EMail Etiquettes in both personal and official environments.

**Syllabus :**

**Test Outline**

- Interpersonal Internet
  - Technical Internet Etiquette
  - Interpersonal E-mail
  - Technical E-mail Etiquette
- 

**Test Name :** Enterprise Linux System Administration

**Description :** SkillSign's Enterprise Linux System Administration Mock Test helps you practice for Oracle Enterprise Linux System Administration certification 1Z0-403.

**Syllabus :**

**Test Outline**

- Installing Enterprise Linux
  - PC Hardware & Linux
-

- Boot Process & SysV Init
- User/Group Administration and NFS
- Filesystem Administration
- LVM & Raid
- Task Automation & Process Accounting
- Client Networking
- The X window System
- Security Concepts
- Linux Kernel Compilation
- Troubleshooting

---

**Test Name :** Foundations of Tivoli Process Automation Engine  
**Description :** SkillSign's Foundations of Tivoli Process Automation Engine Mock Test helps you practice for IBM certification 000-017.

**Syllabus :** **Test Outline**

- Prerequisites and Installation
- Platform Configuration
- Financial Configuration
- Security Configuration
- Migration Configuration
- Start Center Configuration
- Work Management Configuration and Administration
- Reporting Configuration

---

**Test Name :** Global Marketing  
**Description :** Know about Marketing in Global Economy!!! Assess your skills with SkillSign's Global Marketing Test.  
**Syllabus :** Standard Syllabus

---

**Test Name :** GMAT Critical Reasoning Practice  
**Description :** SkillSign's GMAT Critical Reasoning Practice helps you practice for GMAT exam.  
**Syllabus :** Standard Syllabus

---

**Test Name :** GMAT Problem Solving Practice Free  
**Description :** SkillSign's GMAT Problem Solving Practice Free test is from series of tests SkillSign offers for GMAT preparation.  
**Syllabus :** Standard Syllabus

**Test Name :** GMAT Reading Comprehension  
**Description :** SkillSign's GMAT Reading Comprehension Test helps you practice for GMAT exam's verbal section.  
**Syllabus :** Standard Syllabus

---

**Test Name :** GMAT Sentence Correction  
**Description :** SkillSign's GMAT Sentence Correction Test helps you practice for GMAT exam's verbal section.  
**Syllabus :** Standard Syllabus

---

**Test Name :** Google Advertising Fundamentals  
**Description :** SkillSign's Google Advertising Fundamentals Test helps you practice for Google certification.

**Syllabus :** **Test Outline**

- Introduction to AdWords
- AdWords Account and Campaign Basics
- AdWords Ad Formats
- AdWords Targeting and Placements
- AdWords Bidding and Budgeting
- Policies and Ad Quality Topics

---

**Test Name :** Google Adwords Reporting  
**Description :** SkillSign's Google AdWords Reporting Test helps you practice for Google certification.

**Syllabus :** **Test Outline**

- Performance Monitoring and Conversion Tracking
- Google Analytics
- Optimizing Performance

---

**Test Name :** GRE Analogies Practice 2 Free  
**Description :** Assesses your vocabulary for GRE and other similar tests: Analogies  
**Syllabus :** **Test Outline:** GRE vocabulary

---

**Test Name :** GRE Analogies Practice Free  
**Description :** Assesses your vocabulary for GRE and other similar tests: Analogies  
**Syllabus :** **Test Outline:** GRE vocabulary

---

**Test Name :** GRE Antonyms Practice Free  
**Description :** Assesses your vocabulary for GRE and other tests: Antonyms  
**Syllabus :** **Test Outline:** GRE Vocabulary

---

**Test Name :** GRE Quantitative Ability Practice  
**Description :** Assesses your vocabulary for GRE and other similar tests:  
**Syllabus :** **Test Outline:** GRE Qunatitative Ability

---

**Test Name :** GRE Quantitative Ability Practice 2  
**Description :** Assesses your quantitative ability for GRE and other similar tests.  
**Syllabus :** **Test Outline:** GRE Qunatitative Ability

---

**Test Name :** GRE Reading Comprehension  
**Description :** Preparing for GRE? Practice Reading Comprehension here.  
**Syllabus :** Standard Syllabus

---

**Test Name :** GRE Sentence Completion Practice Free  
**Description :** Assesses your english sentence completion for GRE and other similar tests.  
**Syllabus :** Test Outline: GRE sentence Completion

---

**Test Name :** HDI Customer Service Representative  
**Description :** SkillsSign's HDI Customer Service Representative Test helps you practice for HDI Customer Service Representative certification HDI-CSR  
**Syllabus :** **Test Outline**

- Your Role in the Support Center
- Communication Skills
- Problem-solving and Troubleshooting Skills
- Maximizing Effectiveness

---

**Test Name :** HDI Support Center Manager  
**Description :** SkillsSign's HDI Support Center Manager Test helps you practice for HDI Support Center Manager certification HDI-SCM  
**Syllabus :** Test Outline

- The Support Center
- Effectively Managing Your Support Center
- Support Center Strategic Management
- Support Center Operations Management

---

- Developing Support Center Processes
  - Service Support Processes
  - Metrics and Quality Assurance
  - Managing the Support Center Team
  - Marketing the Support Center
- 

**Test Name :** HP Quality Center 9.2

**Description :** SkillSign's HP Quality Center 9.2 test assesses your working knowledge of HP Quality Center.

**Syllabus :** **Test Outline**

- Quality Center components
  - QC interface, elements and functions
  - Working with releases
  - Working with requirements & data
  - Test Planning
  - Test Execution
- 

**Test Name :** Hyperion Essbase 7.1.2 Consultant

**Description :** SkillSign's Hyperion Essbase 7.1.2 Consultant Mock Test helps you practice for Hyperion Essbase 7.1.2 Consultant certification 1Z0-255.

**Syllabus :** **Test Outline**

- Load Data, Calculate, Retrieve (Block Storage)
  - Partitioning
  - System Administration
  - Optimization
  - Calculate Aggregate Storage (ASO)
  - Create Aggregate Storage (ASO)
  - Manage Aggregate Storage (ASO)
  - Architecture/Storage Manager
- 

**Test Name :** Hyperion Essbase 9.3 Developer

**Description :** SkillSign's Hyperion Essbase 9.3 Developer Mock Test helps you practice for Hyperion Essbase 9.3 Developer certification 1Z0-264.

**Syllabus :** **Test Outline**

- Analytic Services Overview
  - Designing Applications and Databases
-

- Designing Data Descriptor Dimensions
- Optimizing Data Descriptor Dimensions
- Planning Dimension Design
- Creating Basic Dimension Build Rules Files
- Creating Advanced Dimension Build Rules Files
- Creating Attribute Dimensions
- Loading Data
- Smart View Overview
- Creating Smart View Reports
- Storing and Calculating Data
- Creating Calculation Scripts
- Controlling the Calculation Process
- Developing and Testing Calculation Scripts
- Normalizing Data

---

**Test Name :** Hyperion Financial Management 4.1 Administrator  
**Description :** SkillSign's Hyperion Financial Management 4.1 Administrator Mock Test helps you practice for Hyperion Financial Management 4.1 Administrator I & II certification 1Z0-273.

**Syllabus :** **Test Outline**

- Introduction to Hyperion Financial Management
- Introduction to Financial Reporting
- Creating the Application Structure
- Creating Reports
- Adding Data to an Application
- Entering Data using Data Grids
- Setting up Security
- Creating Data Entry Forms and Workspaces
- Adding Objects to Reports
- Adding Functions to Reports
- Managing Intercompany Balances and Adjustments
- Calculating and Consolidating Data
- Managing Reports
- Calculating and Consolidating Data

---

**Test Name :** Hyperion Financial Management 9.3 Administrator  
**Description :** SkillSign's Hyperion Financial Management 9.3 Administrator Mock Test helps you practice for Hyperion Financial Management 9.3 Administrator I & II certification 1Z0-271.

**Syllabus :**

**Test Outline**

- Introduction to Hyperion Financial Management
  - Introduction to Financial Reporting
  - Creating Reports
  - Adding Data to an Application
  - Entering Data using Data Grids
  - Setting up Security
  - Creating Data Entry Forms and Task Lists
  - Adding Objects to Reports
  - Adding Functions to Reports
  - Managing Intercompany Balances and Adjustments
  - Calculating and Consolidating Data
  - Managing Reports
  - Calculating and Consolidating Data
- 

**Test Name :** Hyperion Planning 4.1 Consultant

**Description :** SkillSign's Hyperion Planning 4.1 Consultant Mock Test helps you practice for Hyperion Planning 4.1 Consultant certification 1Z0-259.

**Syllabus :**

**Test Outline**

- Application
  - Dimensions
  - Business Rules / Calculations
  - Multi-Currency
  - Design Security
  - Reporting Requirements
  - Data Entry
  - Technical Aspects
- 

**Test Name :** Hyperion Planning 9.3 Administrator

**Description :** SkillSign's Hyperion Planning 9.3 Administrator Mock Test helps you practice for Hyperion Planning 9.3 Administrator I & II certification 1Z0-272.

**Syllabus :**

**Test Outline**

- Planning Overview
  - Provisioning Users and Groups
  - Financial Reporting Overview
-

**Test Name :** Hyperion System 9 BI+ 9.3 Administrator  
**Description :** SkillSign's Hyperion System 9 BI+ 9.3 Administrator Mock Test helps you practice for Hyperion System 9 BI+ 9.3 Administrator certification 1Z0-265.

**Syllabus :** **Test Outline**

- Introduction to BI+
- Describe the Hyperion License Server components and architecture
- Business Rules / Calculations
- Describe Hyperion Shared Services and its components
- Workspace Administration
- Explain row-level security
- Administering BI+ Web Application Servers
- Generating Scheduled Output
- Administering BI+ Core Services
- Administering Web Components
- Configuring Advanced User Authentication Properties
- Maintaining BI+
- Tracking Usage and Managing Impact of Change
- Planning a BI+ Installation
- Installing BI+

---

**Test Name :** IBM Cloud Computing Infrastructure Architect V1  
**Description :** SkillSign's IBM Cloud Computing Infrastructure Architect V1 Test helps you practice for IBM certification 000-280.

**Syllabus :** **Test Outline**

- Cloud Computing Design Principles
- Planning for a Cloud Environment
- Architecting a Cloud Environment

---

**Test Name :** IBM Cognos 8 BI Administrator  
**Description :** SkillSign's IBM Cognos 8 BI Administrator Mock Test helps you practice for IBM Cognos 8 BI Administrator certification COG-122.

**Syllabus :** **Test Outline**

- Manage Administrative Content
- Manage Report Content
- Manage the Server Environment
- Manage the Security Environment

**Test Name :** IBM Cognos 8 BI Author  
**Description :** SkillSign's IBM Cognos 8 BI Author Mock Test helps you practice for IBM Cognos 8 BI Author certification COG-112.

- Syllabus :** **Test Outline**
- Create reports
  - Focus reports
  - Enhance reports
  - Create reports using the query model
  - Setup reports for bursting
  - Manage events using agents

---

**Test Name :** IBM Cognos 8 BI Metadata Model Developer  
**Description :** SkillSign's IBM Cognos 8 BI Metadata Model Developer Mock Test helps you practice for IBM Cognos 8 BI Metadata Model Developer certification COG-132.

- Syllabus :** **Test Outline**
- Common Data Structures and Traps
  - Framework Manager Basics
  - Predictable Results
  - Security
  - Project Management and Maintenance
  - Query Subject Types
  - Generated SQL and Complex Queries
  - Optimization and Tuning
  - Advanced Techniques

---

**Test Name :** IBM Cognos 8 BI Multidimensional Author  
**Description :** SkillSign's IBM Cognos 8 BI Multidimensional Author Mock Test helps you practice for IBM Cognos 8 BI Multidimensional Author certification COG-145.

- Syllabus :** **Test Outline**
- Dimensional Data Components
  - Focus Reports
  - Drilling in Reports
  - Drill-through Access
  - Calculations and Dimensional Functions

**Test Name :** IBM Cognos 8 BI OLAP Developer

**Description :** SkillSign's IBM Cognos 8 BI OLAP Developer Mock Test helps you practice for IBM Cognos 8 BI OLAP Developer certification COG-135.

**Syllabus :** **Test Outline**

- Transformer Basics
- Data Sources
- Model Creation
- Model Key Performance Measures
- Security
- PowerCube Content Customization
- Maintenance and Advanced Techniques

---

**Test Name :** IBM Cognos 8 BI Professional

**Description :** SkillSign's IBM Cognos 8 BI Professional Mock Test helps you practice for IBM Cognos 8 BI Professional certification COG-180.

**Syllabus :** **Test Outline**

- Iterative Development and CSIM
- Dimensional Design and Key Metrics
- Identify the Right Tool for the Business Need
- Determine User Requirements
- Common Data Stores
- Cognos BI Architecture
- Cognos BI Request Flows and Queues
- Design, Build, and Deploy Considerations
- Maintain the BI Application

---

**Test Name :** IBM Cognos 8 BI Technical Specialist

**Description :** SkillSign's IBM Cognos 8 BI Technical Specialist Mock Test helps you practice for IBM Cognos 8 BI Technical Specialist certification COG-105.

**Syllabus :** **Test Outline**

- Architecture
- Installation
- Configuration
- Tuning and Testing
- Troubleshooting

---

- Test Name :** IBM Cognos 8 Planning Application Consultant
- Description :** SkillSign's IBM Cognos 8 Planning Application Consultant Mock Test helps you practice for IBM Cognos 8 Planning Application Consultant certification COG-400.
- Syllabus :** **Test Outline**
- Libraries and Common Objects
  - Create D-Lists and D-Cubes
  - Load and Distribute Data using D-Links
  - Enhance D-Lists and D-Cubes
  - Built-in Functions (BiFs)
  - Automate Processes in Analyst
  - Object Maintenance and Administration
  - Setup the Contributor Console
  - Create Contributor Applications
  - Workflow and Web Activities
  - Saved Selections and Access Tables
  - Administer Contributor Applications
  - Security in Contributor
  - Data Management in Contributor
  - Automate Processes in Contributor
  - Common Extensions
  - Translate an application
  - Cognos 8 functionality
- 

- Test Name :** IBM Cognos 8 Planning Professional
- Description :** SkillSign's IBM Cognos 8 Planning Professional Mock Test helps you practice for IBM Cognos 8 Planning Professional certification COG-480.
- Syllabus :** **Test Outline**
- Analyze a Planning Implementation
  - Design IBM Cognos Planning Applications
  - Performance Impacts
  - Design considerations to support other systems
  - Design, Common Challenges
  - Prepare solution for end users
  - Use Planning information outside of the Planning environment
- 

- Test Name :** IBM Cognos TM1 Analyst
- Description :** SkillSign's IBM Cognos TM1 Analyst Mock Test helps you practice for IBM
-

Cognos TM1 Analyst certification COG-300.

**Syllabus :** SkillSign's IBM Cognos TM1 Analyst Mock Test helps you practice for IBM Cognos TM1 Analyst certification COG-300.

**Test Outline**

- Components of TM1
- Dimensions and cubes
- Cube views
- Data manipulation
- Subsets
- Templates and reports

---

**Test Name :** IBM Cognos TM1 Developer

**Description :** SkillSign's IBM Cognos TM1 Developer Mock Test helps you practice for IBM Cognos TM1 Developer certification COG-310.

**Syllabus :** **Test Outline**

- Components of TM1
- Dimensions and cubes
- Turbo Integrator (TI)
- Rules
- Advanced techniques for TI scripting
- Drill Through
- Virtual and lookup cubes
- Time considerations
- Data presentation and reporting

---

**Test Name :** IBM Lotus Notes & Domino Technical Sales Mastery Test v2

**Description :** SkillSign's IBM Lotus Notes & Domino Technical Sales Mastery Test v2 Test helps you practice for IBM Lotus Notes certification 000-M38.

**Syllabus :** **Test Outline**

- Lotus Notes/Domino Product Overview
- Provisioning for Lotus Notes/Domino 8.5
- Administration
- Web Service in Domino 8.5
- Domino 8.5 and DB2
- Security Features in Lotus Notes/Domino 8.5
- Understanding the Eclipse Rich Client Platform (RCP)
- Domino Designer 8.5

- XPages in Domino 8.5
- Provisioning Applications for Notes/Domino 8.5
- Notes Traveler 8.5
- Notes Application Development Fundamentals

---

**Test Name :** IBM Lotus Notes Domino 8 Application Development Level 1

**Description :** SkillSign's IBM Lotus Notes Domino 8 Application Development Level 1 Test helps you practice for IBM certification LOT-834.

**Syllabus :** **Test Outline**

- Application Architecture
- Database Management
- Design Elements
- Programming
- Security

---

**Test Name :** IBM Lotus Notes Domino 8 Application Development Level 2

**Description :** SkillSign's IBM Lotus Notes Domino 8 Application Development Level 2 Test helps you practice for IBM certification LOT-835.

**Syllabus :** **Test Outline**

- Application Architecture
- Composite Applications
- Database Management
- Design Elements
- Programming
- Security
- Workflow

---

**Test Name :** IBM Lotus Notes Domino 8 Developing Web Apps

**Description :** SkillSign's IBM Lotus Notes Domino 8 Developing Web Apps Test helps you practice for IBM certification exam LOT-836.

**Syllabus :** **Test Outline**

- Application Architecture
- Design Elements
- Programming
- Security

**Test Name :** IBM Lotus Notes Domino 8 Sys Admin Operating Fundamentals  
**Description :** SkillSign's IBM Lotus Notes Domino 8 Sys Admin Operating Fundamentals Test helps you practice for IBM Lotus Notes Domino 8 System Administration Operating Fundamentals certification exam LOT-847.  
**Syllabus :** **Test Outline**

- Domino and DB2 Integration
- Install and Configure
- Mail
- Manage and Maintain
- Managing servers
- Platform Support
- Security

---

**Test Name :** IBM Maximo Asset Management V7.1 Implementation  
**Description :** SkillSign's IBM Maximo Asset Management V7.1 Implementation Test helps you practice for IBM certification 000-015.  
**Syllabus :** **Test Outline**

- Assets
- Preventive Maintenance
- Inventory
- Contracts
- Purchasing
- Resources
- Work Management
- Service Requests
- Other Configuration Options

---

**Test Name :** IBM Software Quality Specialist  
**Description :** SkillSign's IBM Software Quality Specialist Test helps you practice for IBM Certified Specialist - Software Quality certification 000-370.  
**Syllabus :** **Test Outline**

- Software Test
- Software Development
- Software Quality

---

**Test Name :** IBM System Administrator - Document Manager

---

**Description :** SkillSign's IBM System Administrator - Document Manager Test helps you practice for IBM certification 000-445.

**Syllabus :** SkillSign's IBM System Administrator - Document Manager Mock Test helps you practice for System Administrator - Document Manager certification Test 000-445.

**Test Outline**

- High-Level Design and Requirements Gathering
  - Installation and Configuration
  - Troubleshooting
  - System Administration
  - Extensibility
  - Core Product Information
- 

**Test Name :** IBM Tivoli Change and Configuration Management Database V7.1.1

**Description :** SkillSign's IBM Tivoli Change and Configuration Management Database V7.1.1 Implementation Mock Test helps you practice for IBM Tivoli certification 000-939.

**Syllabus :**

**Test Outline**

- Planning
  - Installation
  - Configuration
  - Performance Tuning and Problem Determination
  - Release Process Manager
- 

**Test Name :** IBM Tivoli Compliance Insight Manager V8.5

**Description :** SkillSign's IBM Tivoli Compliance Insight Manager V8.5 Implementation Mock Test helps you practice for IBM Tivoli certification Test 000-937.

**Syllabus :**

**Test Outline**

- Planning
  - Installation
  - Configuration
  - Performance Tuning and Problem Determination
  - Administration
- 

**Test Name :** IBM Tivoli Monitoring V6.2 Administration

**Description :** SkillSign's IBM Tivoli Monitoring V6.2 Administration Mock Test helps

---

you practice for IBM Tivoli Monitoring certification 000-921.

**Syllabus :**

**Test Outline**

- Concepts
  - Daily Operations
  - Infrastructure and TEMA Management
  - Performance Tuning and Problem Determination
- 

**Test Name :** IBM Tivoli Netcool Impact V4.0 Implementation

**Description :** SkillSign's IBM Tivoli Netcool Impact V4.0 Implementation Test helps you practice for IBM Tivoli Netcool Impact V4.0 Implementation certification 000-938.

**Syllabus :**

**Test Outline**

- Planning
  - Installation
  - Configuration
  - Development
  - Administration
  - Performance Tuning and Problem Determination
- 

**Test Name :** IBM Tivoli Usage and Accounting Manager V7.1

**Description :** SkillSign's IBM Tivoli Usage and Accounting Manager V7.1 Implementation Mock Test helps you practice for IBM Tivoli certification 000-012.

**Syllabus :**

**Test Outline**

- Planning
  - Installation
  - Configuration
  - Administration
  - Job Creation
  - Problem Determination
  - Reporting
- 

**Test Name :** IBM Tivoli Workload Scheduler V8.5

**Description :** SkillSign's IBM Tivoli Workload Scheduler V8.5 Implementation Mock Test helps you practice for IBM Tivoli certification Test 000-021.

**Syllabus :**

**Test Outline**

- Planning
- Installation
- Configuration
- Scheduling and Operations
- Administration and Maintenance
- Troubleshooting

---

**Test Name :** IBM WebSphere Commerce V7.0 Application Development

**Description :** SkillSign's IBM WebSphere Commerce V7.0, Application Development Test helps you practice for IBM WebSphere Commerce V7.0, Application Development certification 000-723.

**Syllabus :** **Test Outline**

- Architecture and Programming Framework
- Installation, Configuration and Maintenance
- Development and Customization
- Testing and Debugging
- Payments and Integration with External Systems
- Staging and Data Load

---

**Test Name :** IBM WebSphere Commerce V7.0 System Administration

**Description :** SkillSign's IBM WebSphere Commerce V7.0, System Administration Test helps you practice for IBM WebSphere Commerce V7.0, System Administration certification 000-724.

**Syllabus :** **Test Outline**

- Architecture
- Installation, Configuration and Migration
- Set up and Administration of IBM WebSphere Commerce Stores
- Maintain and Monitor IBM WebSphere Commerce
- Security and Auditing
- Performance Tuning
- Support and Troubleshooting

---

**Test Name :** IBM Websphere Portal 6.1 Application Development

**Description :** SkillSign's IBM Websphere Portal 6.1 Application Development Mock test is designed to help the candidate practice for Lotus Certification 190-959.

**Syllabus :** **Test Outline**

- Architecting a Portal Solution
- Install, Setup and Configuration of a Developer Environment
- Portlet Development
- Theme Development
- Testing, Debugging and Performance Monitoring of Portlets
- Additional Development Concepts

---

**Test Name :** IBM Websphere Portal 6.1 Deployment and Administration  
**Description :** SkillSign's IBM Websphere Portal 6.1 Deployment and Administration Practice test is designed to help the candidate practice for Lotus Certification 190-955.  
**Syllabus :** **Test Outline**

- Architecting a Portal Solution
- Installation and Configuration
- Security
- Customization and Administration
- Maintain and Monitor
- Portal Content
- Integrating Your Business
- Troubleshooting
- Migration and Other Concepts

---

**Test Name :** Interwoven TeamSite 6.5 Technical Consultant  
**Description :** SkillSign's Interwoven TeamSite 6.5 Technical Consultant test helps you prepare for EE0-065  
**Syllabus :** Standard Syllabus

---

**Test Name :** ISTQB Foundation Level Practice  
**Description :** SkillSign's ISTQB Foundation Level Practice test assesses your understanding and knowledge of Software Testing Concepts based on International Software Testing Qualification Board Syllabus.  
**Syllabus :** **Test Outline**

- Fundamentals of Testing
- Testing Throughout the Software Life Cycle
- Test Design Techniques
- Static Techniques
- Test Management

- Tool Support for Testing
- 

**Test Name :** ISTQB Foundation Level Practice Free

**Description :** SkillSign's ISTQB Foundation Level Practice test assesses your understanding and knowledge of Software Testing Concepts based on International Software Testing Qualification Board Syllabus.

**Syllabus :** Test Outline

- Fundamentals of Testing
  - Testing Throughout the Software Life Cycle
  - Test Design Techniques
  - Static Techniques
  - Test Management
  - Tool Support for Testing
- 

**Test Name :** ITIL V3 Foundation Practice

**Description :** SkillSign's ITIL V3 Foundation Mock Test is designed to help the candidate practice for ISEB (ITIL V3, Foundation) BH0-006 certification.

**Syllabus :** Test Outline

- Service Management as a practice
  - Service Lifecycle (Comprehension)
  - Key Principles and Models (Comprehension)
  - Generic Concepts (Awareness)
  - Selected Processes (Awareness)
  - Selected Roles (Awareness)
  - Selected Functions (Awareness)
  - Technology and Architecture (Awareness)
  - ITIL Qualification scheme (Awareness)
- 

**Test Name :** ITIL V3 Foundation Practice Free

**Description :** SkillSign's ITIL V3 Foundation Test is designed to help the candidate practice for ISEB (ITIL V3, Foundation) BH0-006 certification.

**Syllabus :** Test Outline

- Service Management as a practice
  - Service Lifecycle (Comprehension)
  - Key Principles and Models (Comprehension)
  - Generic Concepts (Awareness)
-

- Selected Processes (Awareness)
  - Selected Roles (Awareness)
  - Selected Functions (Awareness)
  - Technology and Architecture (Awareness)
  - ITIL Qualification scheme (Awareness)
- 

**Test Name :** Java EE 5 Business Component Developer Certified Professional Upgrade  
**Description :** SkillSign's Java Enterprise Edition 5 Business Component Developer Certified Professional Upgrade Test helps you practice for Java2EE5 BCD Certified Professional Upgrade certification 1Z0-861.

**Syllabus :** **Test Outline**

- General EJB 3.0 Enterprise Bean Knowledge
- EJB 3.0 Message-Driven Bean Component Contract
- EJB 3.0 Session Bean Component Contract & Lifecycle
- Java Persistence API Entities
- Java Persistence Entity Operations
- Persistence Units and Persistence Contexts
- Java Persistence Query Language
- Transactions
- Exceptions
- Security Management

---

**Test Name :** JavaScript Advanced  
**Description :** Check your JavaScript Fundamentals. Take this 20 question test.  
**Syllabus :** Standard Syllabus

---

**Test Name :** Junior Linux Professional 1  
**Description :** SkillSign's Junior Linux Professional-I Mock Test is designed to help the candidate practice for Linux Professional Institute (General Linux -1) 117-101 certification.

**Syllabus :** **Test Outline**

- Boot the system
- Install a boot manager
- Manage shared libraries
- Work on the command line
- Design the hard disk layout
- Use Debian package management

---

- Perform basic file management
  - Use RPM and YUM package management
- 

**Test Name :** Junior Linux Professional 2

**Description :** SkillSign's Junior Level Linux Professional II Mock Test is designed to help the candidate practice for Linux Professional Institute (General Linux -2) 117-102 certification.

**Syllabus :** **Test Outline**

- Security
  - Administrative Tasks
  - Networking Fundamentals
  - Essential System Services
  - User Interfaces and Desktops
  - Shells, Scripting and Data Management
- 

**Test Name :** LoadRunner Basics

**Description :** SkillSign's LoadRunner Basics test assesses your understanding and knowledge of HP LoadRunner.

**Syllabus :** **Test Outline**

- Key Topics
  - LoadRunner Architecture
  - Monitoring Scenario
  - Plan Load Test
  - Results Analysis
  - Supported Technologies
- 

**Test Name :** Microsoft Dynamics CRM 4.0 - Applications

**Description :** SkillSign's Microsoft Dynamics CRM 4.0 - Applications Test helps you practice for Microsoft certification #MB2-632.

**Syllabus :** SkillSign's Microsoft Dynamics CRM 4.0 - Applications Test helps you practice for Microsoft certification #MB2-632.

**Test Outline**

- Microsoft Dynamics CRM Concepts
  - Sales
  - Marketing
  - Service Management
-

- Service Scheduling
- 

**Test Name :** Microsoft Dynamics CRM 4.0 Installation and Deployment

**Description :** SkillSign's Microsoft Dynamics CRM 4.0 Installation and Deployment Test helps you practice for Microsoft Exam MB2-633.

**Syllabus :** **Test Outline**

- Planning a Microsoft Dynamics CRM Implementation
  - Microsoft Dynamics CRM Installation
  - Microsoft Dynamics CRM E-mail Router
  - Microsoft Dynamics CRM for Microsoft Office Outlook
  - Redeployment and Upgrading
  - Uninstalling and Repairing
- 

**Test Name :** Microsoft Exchange Server 2010 - Designing & Deploying Messaging Solutions

**Description :** SkillSign's Microsoft Exchange Server 2010 - Designing and Deploying Messaging Solutions Test helps you practice for Microsoft certification 70-663.

**Syllabus :** **Test Outline**

- Planning the Exchange Server 2010 Infrastructure
  - Deploying the Exchange Server 2010 Infrastructure
  - Designing and Deploying Security for the Exchange Organization
  - Designing and Deploying Exchange Server 2010 Availability and Recovery
  - Designing and Deploying Messaging Compliance, System Monitoring, and Reporting
- 

**Test Name :** Microsoft Exchange Server 2010 Configuration

**Description :** SkillSign's Microsoft Exchange Server 2010 Configuration , Configuring Mock Test helps you practice for Microsoft Exchange Server 2010, Configuring (Technology Specialist) certification 70-662.

**Syllabus :** **Test Outline**

- Installing and Configuring Exchange Servers
  - Configuring Exchange Recipients and Public Folders
  - Configuring Client Access
  - Configuring Message Transport
-

- Monitoring and Reporting
- Implementing High Availability and Recovery
- Configuring Message Compliance and Security

---

**Test Name :** Microsoft Lync Server 2010 , Configuring  
**Description :** SkillSign's Microsoft Lync Server 2010 , Configuring Test helps you practice for Microsoft certification 70-664.

**Syllabus :** **Test Outline**

- Managing Users and Client Access
- Configuring a Lync Server 2010 Topology
- Configuring Enterprise Voice
- Configuring Lync Server 2010 for External Access
- Monitoring and Maintaining Lync Server 2010

---

**Test Name :** Microsoft SharePoint 2010 Application Development  
**Description :** SkillSign's Microsoft SharePoint 2010 App Development Test helps you practice for Microsoft SharePoint 2010, Application Development (Technology Specialist) certification 70-573.

**Syllabus :** **Test Outline**

- Working with the SharePoint User Interface
- Developing Web Parts and Controls
- Developing Business Logic
- Working With SharePoint Data
- Stabilizing and Deploying SharePoint Components

---

**Test Name :** Microsoft SharePoint 2010 Designing and Developing Applications  
**Description :** SkillSign's Designing and Developing Microsoft SharePoint 2010 Applications Test helps you practice for Designing and Developing Microsoft SharePoint 2010 Applications (PRO) certification 70-576.

**Syllabus :** **Test Outline**

- Creating an Application Design
- Designing UX
- Managing Application Development
- Optimizing SharePoint Application Design
- Designing SharePoint Composite Applications

- Designing SharePoint Solutions and Features
- 

**Test Name :** Microsoft SQL Server 2008 Database Development  
**Description :** SkillSign's Microsoft SQL Server 2008 Database Development Mock Test helps you practice for Microsoft SQL Server 2008 Database Development (Technology Specialist) certification 70-433.

**Syllabus :** **Test Outline**

- Implementing Tables and Views
- Implementing Programming Objects
- Working with Query Fundamentals
- Applying Additional Query Techniques
- Working with Additional SQL Server Components
- Working with XML Data
- Gathering Performance Information

---

**Test Name :** Microsoft System Center Operations Manager 2007 Configuring  
**Description :** SkillSign's Microsoft System Center Operations Manager 2007 Configuring Practice Test helps you practice for Microsoft certification exam 70-400.

**Syllabus :** **Test Outline**

- Configuring System Center Operations Manager 2007
- Deploying and Configuring Management Packs
- Building and Deploying Custom Management Packs
- Maintaining System Center Operations Manager
- Configuring Client Monitoring

---

**Test Name :** Microsoft Windows 7 Configuration  
**Description :** SkillSign's Microsoft Windows 7 Configuration Test helps you practice for Microsoft Windows 7, Configuring (TS) certification 70-680.

**Syllabus :** **Test Outline**

- Installing, Upgrading, and Migrating to Windows 7
- Deploying Windows 7
- Configuring Hardware and Applications
- Configuring Network Connectivity
- Configuring Access to Resources
- Configuring Mobile Computing
- Monitoring and Maintaining Systems that Run Windows 7

---

- Configuring Backup and Recovery Options
- 

**Test Name :** Microsoft Windows 7 Enterprise Desktop Administrator  
**Description :** SkillSign's Microsoft Windows 7 Enterprise Desktop Administrator Test helps you practice for Microsoft Windows 7, Enterprise Desktop Administrator (PRO) certification 70-686.

**Syllabus :** **Test Outline**

- Planning and Managing a Client Life Cycle Strategy
- Designing a Standard Image
- Designing Client Configurations
- Designing a Windows 7 Client Deployment
- Designing Application Packages for Deployment
- Identifying and Resolving Deployment and Client Configuration Issues

---

**Test Name :** Microsoft Windows Internals  
**Description :** SkillSign's Microsoft Windows Internals Test helps you practice for Microsoft Windows Internals (TS) certification 70-660.

**Syllabus :** **Test Outline**

- Identifying Architectural Components
- Designing Solutions
- Monitoring Windows
- Analyzing User Mode
- Analyzing Kernel Mode
- Debugging Windows

---

**Test Name :** MS Excel 2010  
**Description :** Know Microsoft 2010...test it out here.  
**Syllabus :** Standard Syllabus

---

**Test Name :** MS SQL Server 2005 BI - Development and Maintenance  
**Description :** SkillSign's MS SQL Server 2005 BI - Development and Maintenance Mock Test helps you practice for Microsoft SQL Server 2005 Business Intelligence - Development and Maintenance certification (TS) Exam 70-445.

**Syllabus :** **Test Outline**

- Managing SSAS

---

- Developing SSAS Solutions by Using BIDS
  - Implementing Data Mining by Using BIDS
  - Managing SSRS
  - Developing Reporting Solutions by Using SSRS
  - Developing Business Intelligence Solutions by Using SSIS
  - Administering SSIS Packages
- 

**Test Name :** MS SQL Server 2008 BI Development and Maintenance

**Description :** SkillSign's Microsoft SQL Server 2008, Business Intelligence Development and Maintenance Mock test is designed to help the candidate practice for Microsoft Certification 70-448.

**Syllabus :** **Test Outline**

- Implementing an SSIS Solution
  - Configuring, Deploying, and Maintaining SSIS
  - Implementing an SSAS Solution
  - Configuring, Deploying, and Maintaining SSAS
  - Implementing an SSRS Solution
  - Configuring, Deploying, and Maintaining SSRS
- 

**Test Name :** MS SQL Server 2008 Implementation and Maintenance

**Description :** SkillSign's MS SQL Server 2008 Implementation and Maintenance Mock Test helps you practice for MS SQL Server 2008 Implementation and Maintenance (Technology Specialist) certification 70-432.

**Syllabus :** **Test Outline**

- Installing and Configuring SQL Server 2008
  - Maintaining SQL Server Instances
  - Managing SQL Server Security
  - Maintaining a SQL Server Database
  - Performing Data Management Tasks
  - Monitoring and Troubleshooting SQL Server
  - Optimizing SQL Server Performance
  - Implementing High Availability
- 

**Test Name :** MS Windows Server 2008 Active Directory , Configuring

**Description :** SkillSign's MS Windows Server 2008 Active Directory , Configuring Test helps you practice for Microsoft Windows Server 2008 Active Directory,

---

Configuring (TS) certification 70-640.

**Syllabus :**

**Test Outline**

- Configuring Domain Name System (DNS) for Active Directory
  - Configuring the Active Directory infrastructure
  - Configuring Active Directory Roles and Services
  - Creating and maintaining Active Directory objects
  - Maintaining the Active Directory environment
  - Configuring Active Directory Certificate Services
- 

**Test Name :** MS Windows Server 2008 App Infrastructure, Configuration

**Description :** SkillSign's MS Windows Server 2008 App Infrastructure, Configuration Test helps you practice for Microsoft Windows Server 2008 Applications Infrastructure, Configuration (TS) certification 70-643.

**Syllabus :**

**Test Outline**

- Deploying Servers
  - Configuring Remote Desktop Services
  - Configuring a Web Services Infrastructure
  - Configuring Network Application Services
- 

**Test Name :** MS Windows Server 2008 Network Infrastructure, Configuring

**Description :** SkillSign's MS Windows Server 2008 Network Infrastructure, Configuring Test helps you practice for Microsoft Windows Server 2008 Network Infrastructure, Configuring (TS) certification 70-642.

**Syllabus :**

**Test Outline**

- Configuring Addressing and Services
  - Configuring Names Resolution
  - Configuring Network Access
  - Configuring File and Print Services
  - Monitoring and Managing a Network Infrastructure
- 

**Test Name :** MS Word 2010

**Description :** Know Microsoft Word 2010....Test it out here.

**Syllabus :** Standard Syllabus

---

**Test Name :** OCA 10g Mock

**Description :** SkillSign's OCA 10g Mock 1 test assesses your preparedness for Oracle

---

**Syllabus :** Certified Associate 10g certification.  
This Test is meant for Oracle DBAs who are preparing for OCA 10g certification.

**Test Outline**

- Basic Concepts
- Creating Database
- Objects and Performance
- Processes and Subprograms
- Monitoring and Networking
- Shared Servers
- Dealing with Locking
- Backup and Recovery

---

**Test Name :** Operating System Concepts  
**Description :** SkillSign's Operating System(OS) Concepts Test measures your knowledge of basic concepts of Operating Systems

**Syllabus :** Designed for both programmers and administrators, this test covers basics of operating systems.

**Test Outline**

- Operating-System Structures
- Processes
- Memory Management
- Deadlocks
- Security
- I/O Systems
- Real-Time Systems
- VirtualMemory

---

**Test Name :** Oracle 10g Administration  
**Description :** SkillSign's Oracle 10g Administration test measures your knowledge of administering Oracle 10g databases.

**Syllabus :** Designed for experienced Oracle Database Administrators, Data Modelers and Data Architects. This test includes the following topics:

**Test Outline**

- 10g Enhancements Administration
- Architecture
- Backup and Recovery

- High Availability
- Managing Objects
- Monitoring
- Networking, Security, Tuning.

---

**Test Name :** Oracle 11g Administration Practice

**Description :** SkillSign's Oracle 11i Administration test measures your knowledge of administering Oracle 11i databases. Designed for experienced Oracle Database Administrators, Data Modelers and Data Architects.

**Syllabus :** **Test Outline**

- Function Security
- Data Security
- User Management
- High Availability
- Concurrent Programs and Reports
- Monitoring
- Auditing System Resources
- Networking, Security, Tuning

---

**Test Name :** Oracle 11i E-Business Suite Essentials for Implementers

**Description :** SkillSign's Oracle 11i E-Business Suite Essentials for Implementers Test helps you practice for Oracle certification 1Z0-200.

**Syllabus :** **Test Outline**

- Overview of 11i10 E-Business Suite
- Shared Entities and Integration
- Fundamentals of Multi-Org
- Fundamentals of Flexfields
- Fundamentals of System Administration
- Fundamentals of Workflow & Alerts
- 11i Daily Business Intelligence (DBI)

---

**Test Name :** Oracle 11i System Administration

**Description :** SkillSign's Oracle 11i System Administration Mock Test helps you practice for Oracle 11i System Administration certification 1Z0-232.

**Syllabus :** **Test Outline**

- Function Security

- Data Security
- Oracle User Management
- Implementing Oracle User Management
- Auditing System Resources
- Oracle Applications Manager (OAM)
- Managing Concurrent Programs and Reports
- Administering Concurrent Managers
- Managing Profile Options
- Form Personalization
- Personalizing OA Framework Pages
- System Monitoring in Oracle Applications Manager
- Diagnostics and Troubleshooting in Oracle Applications Manager
- Application DBA Duties
- Managing Printers

---

**Test Name :** Oracle Database 11g - New Features for 9i OCPs

**Description :** SkillSign's Oracle Database 11g - New Features for 9i OCPs Test helps you practice for Oracle certification 1Z0-055.

**Syllabus :** SkillSign's Oracle Database 11g - New Features for 9i OCPs Test helps you practice for Oracle certification 1Z0-055.

**Test Outline**

- Installation and Upgrade Enhancements
- Storage Enhancements
- SQL Performance Analyzer
- SQL Plan Management
- Database Replay
- Miscellaneous New Features
- Oracle SecureFiles and SQL Tuning
- Intelligent Infrastructure Enhancements
- Performance Enhancements
- Space Management and Partitioning
- Load and Unload Data
- Backup and Recovery Enhancements
- Using Flashback and Logminer
- Diagnosability Enhancements
- Using the Data Recovery Advisor
- Security: New Features

---

**Test Name :** Oracle Database 11g Advanced PL / SQL

---

**Description :** SkillSign's Oracle Database 11g Advanced PLSQL Test helps you practice for Oracle 1Z0-051 certification.

**Syllabus :** **Test Outline**

- PL/SQL Programming Concepts
  - Designing PL/SQL Code
  - Working with Collections
  - Using Advanced Interface Methods
  - Manipulating Large Objects
  - Administering SecureFile LOBs
  - Performance and Tuning
  - Analyzing PL/SQL Code
- 

**Test Name :** Oracle Database 11g Advanced PL / SQL Practice Free

**Description :** SkillSign's Oracle Database 11g Advanced PLSQL Test helps you practice for Oracle 1Z0-051 certification.

**Syllabus :** **Test Outline**

- PL/SQL Programming Concepts
  - Designing PL/SQL Code
  - Working with Collections
  - Using Advanced Interface Methods
  - Manipulating Large Objects
  - Administering SecureFile LOBs
  - Performance and Tuning
  - Analyzing PL/SQL Code
- 

**Test Name :** Oracle Database 11g Performance Tuning Certified Expert

**Description :** SkillSign's Oracle Database 11g Performance Tuning Certified Expert Test helps you practice for Oracle certification 1Z0-054.

**Syllabus :** **Test Outline**

- Basic Tuning Tools
  - Using Automatic Workload Repository
  - Defining Problems
  - Using Metrics and Alerts
  - Baseline
  - Using AWR-Based Tools
  - Monitoring an Application
  - Identifying Problem SQL Statements
  - Influencing the Optimizer
-

- SQL Performance Management
  - Using SQL Performance Analyzer
  - Using Database Replay
  - Tuning the Shared Pool
  - Tuning the Buffer Cache ,Segment Space Usage and I/O
  - Tuning PGA and Temporary Space
  - Automatic Memory Management
- 

**Test Name :** Oracle Database 11g Program with PL / SQL

**Description :** SkillSign's Oracle Database 11g: Program with PL / SQL Test helps you practice for Oracle certification 1Z0-144.

**Syllabus :** Test Outline

- Oracle Database 11g: PL/SQL Fundamentals
  - Oracle Database 11g: Develop PL/SQL Program Units
- 

**Test Name :** Oracle Database 11g SQL Fundamentals

**Description :** SkillSign's Oracle Database 11g SQL Fundamentals Test helps you practice for Oracle 1Z0-051 certification.

**Syllabus :** Test Outline

- Retrieving Data
  - Restricting and Sorting Data
  - Displaying Data from Multiple Tables
  - Using Subqueries to Solve Queries
  - Using the Set Operators
  - Manipulating Data
  - Using DDL Statements
  - Creating Other Schema Objects
- 

**Test Name :** Oracle Database 11g: Program with PL / SQL Practice Free

**Description :** SkillSign's Oracle Database 11g: Program with PL / SQL Test helps you practice for Oracle certification 1Z0-144.

**Syllabus :** Test Outline

- Oracle Database 11g: PL/SQL Fundamentals
  - Oracle Database 11g: Develop PL/SQL Program Units
-

**Test Name :** Oracle EBS R12 : Install , Patch and Maintain Applications

**Description :** SkillSign's Oracle EBS R12 : Install , Patch and Maintain Applications Test helps you practice for Oracle certification 1Z0-238.

**Syllabus :** **Test Outline**

- Preparing, Performing, Finishing Installation
- Oracle Applications Components
- Environment Files, Control Scripts and Languages
- Oracle Applications File System, Database
- Advanced Configuration Options
- AD administration
- Cloning Oracle Applications
- Reporting

---

**Test Name :** Oracle EBS R12 : Inventory and Purchasing Fundamentals

**Description :** SkillSign's Oracle EBS R12 : Inventory and Purchasing Fundamentals Test helps you practice for Oracle certification 1Z0-225.

**Syllabus :** **Test Outline**

- Overview of Oracle Inventory
- Inventory Structure
- Units of Measure
- Defining and Maintaining Items
- Transaction Setup
- Inventory Replenishment, Accuracy
- Procure to Pay Lifecycle Overview
- Suppliers
- Requisitions
- Purchase Orders
- Receiving
- Purchasing Accounting
- Purchasing Administration

---

**Test Name :** Oracle Enterprise Linux Fundamentals

**Description :** SkillSign's Oracle Enterprise Linux Fundamentals Mock Test helps you practice for Oracle Enterprise Linux Fundamentals certification 1Z0-402.

**Syllabus :** **Test Outline**

- Enterprise Linux Fundamentals
- Regular Expressions

---

- Messaging
- Archiving and Compression
- Multi User Concepts
- The Linux File System
- Manipulating Files
- Text Processing
- Shell Basics
- Text Editing
- Command Shells
- Introduction to Shell Scripting
- Process Management and Job Control
- The Secure Shell
- Managing Software
- Printing
- Mounting FileSystems and Managing Removable Media
- X Window System

---

**Test Name :** Oracle General Ledger 11i Fundamentals

**Description :** SkillSign's Oracle General Ledger 11i Fundamentals Test helps you practice for Oracle certification 1z0-211.

**Syllabus :** **Test Outline**

- Oracle General Ledger Process
- Set of Books and Basic Journal Entries
- Summary Accounts
- Advanced Journal Entries
- Intercompany and Global Intercompany System
- Financial Budgeting and Multi-Currency
- Consolidations
- Financial Reporting
- Period Close

---

**Test Name :** Oracle PL SQL 10g

**Description :** SkillSign's Oracle PL/SQL test assesses your understanding and knowledge of database development using PL/SQL based on Oracle 10g

**Syllabus :** This Test is meant for Oracle Developers. The main topics in this test are: Architecture, , PL/SQL and SQL\*Plus, Iterations, Debugging, Language, Exception Handling, Built-In Packages Elements, SQL Operations, Tuning, Utilities and Subprograms.

## Test Outline

- Architecture
- Built-in Packages
- SQL Operations
- Tuning
- Manipulating Data
- Language Elements
- Subprograms
- Exception Handling
- Debugging
- Utilities

---

**Test Name :** Oracle Receivables 11i Fundamentals

**Description :** SkillSign's Oracle Receivables 11i Fundamentals Test helps you practice for Oracle certification 1z0-213.

**Syllabus :** Test Outline

- Order to Cash Lifecycle and Order Receivables Process
- Manage Parties and Customer Accounts
- Process Invoices Using AutoInvoice and Process Invoices
- Bill Presentment Architecture
- Implement Customer Invoicing
- Credit Management
- Implement Receipts
- Tax Accounting Process
- Period Closing Process
- Bank Reconciliation
- Receipts

---

**Test Name :** Oracle Solaris 10 System Administration Part 1

**Description :** SkillSign's Oracle Solaris 10 System Administrator 1 helps you prepare for Oracle Solaris 10 System Administrator Certified Professional Exam, Part I CX-310-200

**Syllabus :** Test Outline

- Install Software
- Manage File Systems
- Perform System Boot and Shutdown Procedures for SPARC, x64, and x86-based systems

- Perform User and Security Administration
  - Manage Network Printers and System Processes
  - Perform System Backups and Restores
  - Describe Network Basics
  - Manage Virtual File Systems and Core Dumps
  - Manage Storage Volumes
- 

**Test Name :** Oracle Solaris 10 System Administration Part 2

**Description :** SkillSign's Oracle Solaris 10 System Administrator 2 helps you prepare for Oracle Solaris 10 System Administrator Certified Professional Exam, Part II CX-310-202.

**Syllabus :** **Test Outline**

- Manage Virtual File Systems and Core Dumps
  - Manage Storage Volumes
  - Control Access and Configure System Messaging
  - Naming Services
  - Managing Solaris Zones
  - Managing LDAP, Jumpstart, and Live Upgrade
- 

**Test Name :** Oracle WebLogic Server 10g System Administration

**Description :** SkillSign's Oracle WebLogic Server 10g System Administration Test helps you practice for Oracle 1Z0-108 certification.

**Syllabus :** **Test Outline**

- Product Installation
  - Create Domains
  - Manage the Server Life Cycle
  - Deploy Applications
  - Configure JMS Resources
  - Configure Logging and View Log Files
  - Configure Connections to Databases or Other Systems
  - Tune the Application Server Environment
  - Troubleshoot and Diagnose Error Conditions
  - Apply Best Practices
- 

**Test Name :** PeopleTools 8.5

**Description :** SkillSign's PeopleTools 8.5 measures your knowledge of programming the PeopleSoft Enterprise Resource Planning (ERP) system using PeopleTools.

---

---

**Syllabus :**            **Test Outline**

**PeopleSoft - PeopleTools & PeopleCode**

- Administration Tools
- Application Designer
- Application Engine
- Integration Tools

**PeopleSoft - Application Engine & Integration**

- PeopleCode
- PeopleSoft Portal
- PeopleTools Support
- Reporting and Decision Support Tools

---

**Test Name :**        PgMP Practice

**Description :**     SkillSign's PgMP Practice Test helps you practice for PMI's Program management professional Certification.

**Syllabus :**

**Domains of Program Management knowledge**

- Defining the Program
- Initiating the Program
- Planning the Program
- Executing the Program
- Controlling the Program
- Closing the Program

---

**Test Name :**        PHP 5 Practice Free

**Description :**     SkillSign's PHP5 test assesses your understanding and knowledge of scripting in PHP Hypertext Preprocessor 5.

**Syllabus :**        This Test is meant for experienced developers and covers the following topics: General Functions, Communication Functions, Databases, HTML, Language Structure, Object Oriented PHP

**Test Outline**

- PHP Basics
- Functions
- Web Features

- Security
  - Strings & Patterns
  - Databases
  - Arrays
  - XML Basics
- 

**Test Name :** PMI - SP

**Description :** SkillSign's PMI-SP Test helps you practice for PMI's Scheduling Professional (PMI-SP) certification.

**Syllabus :** **Test Outline**

- Schedule Creation
  - Schedule Analysis
  - Schedule Maintenance
  - Schedule Mission Management
  - Schedule Communication/Reporting
- 

**Test Name :** PMP Mock

**Description :** SkillSign's Project Management Professional Mock Test (200 Q) assesses your preparedness for PMP certification based on PMBOK 4th edition.

**Syllabus :** This Test is meant for practicing project managers as well as project management professionals who also looking to take PMP certification.

**Test Outline**

- PMBOK Foundation and Project Essentials
  - Integration
  - Scope
  - Time
  - Cost
  - Quality
  - Human Resources
  - Communications
  - Risk
  - Procurement
- 

**Test Name :** PMP Practice Free

**Description :** SkillSign's PMP Sample assesses your preparedness for PMP certification

---

based on PMBOK 4th edition.

**Syllabus :**

**Test Plan Outline**

- PMBOK Foundation and Project Essentials
- Integration
- Scope
- Time
- Cost
- Quality
- Human Resources
- Communications
- Risk
- Procurement

---

**Test Name :**

Program with PLSQL

**Description :**

SkillSign's Program with PL/SQL Test helps you practice for Oracle Program with PL/SQL certification 1Z0-147.

**Syllabus :**

**Test Outline**

- Overview of PL/SQL Programs
- Creating Procedures
- Creating Functions
- Managing Subprograms
- Creating Packages
- More Package Concepts
- Oracle Supplied Packages
- Manipulating Large Objects
- Creating Database Triggers
- More Trigger Concepts
- Managing Dependencies

---

**Test Name :**

Quick Test Professional 10.0 ( QTP ) Free

**Description :**

SkillSign's QTP Sample test assesses your understanding and knowledge of HP QuickTest Professional 10.0 (QTP), helps you prepare for certification.

**Syllabus :**

This Test is meant for experienced programmers and covers the following topics: QTP introduction, Recording and Running tests, Creating scripts Using Key word view, Basic introduction to VBScript, Object Identification, Object repository, Configuring Object Identification, Smart Identification and class Mapping, Object Identification – Look Back, Virtual Objects, Check Points, Synchronization, Iterations and Actions, Libraries,

Procedure, Debugging, Code Generation Utilities, Settings and Tools

## Test Outline

- Introduction to Automation
- Recording and Running tests
- Key word view
- Object repository
- Object Identification
- Smart Identification and class Mapping
- Configuring Object Identification
- Virtual Objects
- Object Identification
- Check Points
- Iterations and Actions
- Introduction to VBScript
- Synchronization
- Code Generation Utilities

---

**Test Name :** QuickTest Professional 10.0 (QTP) Test 1

**Description :** SkillSign's QTP Practice test assesses your understanding and knowledge of HP QuickTest Professional 10.0 (QTP), helps you prepare for certification.

**Syllabus :** This Test is meant for experienced programmers and covers the following topics: QTP introduction, Recording and Running tests, Creating scripts Using Key word view, Basic introduction to VBScript, Object Identification, Object repository, Configuring Object Identification, Smart Identification and class Mapping, Object Identification – Look Back, Virtual Objects, Check Points, Synchronization, Iterations and Actions, Libraries, Procedure, Debugging, Code Generation Utilities, Settings and Tools

## Test Outline

- Introduction to Automation
- Recording and Running tests
- Key word view
- Object repository
- Object Identification
- Smart Identification and class Mapping
- Configuring Object Identification
- Virtual Objects
- Object Identification
- Check Points
- Iterations and Actions

- Introduction to VBScript
  - Synchronization
  - Code Generation Utilities
- 

**Test Name :** Rational Application Developer v7

**Description :** SkillSign's Rational Application Developer v7 Test helps you practice for IBM certification 000-136.

**Syllabus :** **Test Outline**

- Workbench Basics
  - Application Development Best Practices
  - Java Development
  - Web Development
  - EJB Development
  - Web Services
  - Running Applications
  - Debugging & Testing
- 

**Test Name :** Rational ClearQuest Basics

**Description :** SkillSign's Rational ClearQuest Basics Test assess your working knowledge of IBM Rational ClearQuest tool.

**Syllabus :** **Test Outline**

- Installation
  - ClearQuest Administration - Planning
  - ClearQuest Administration - Implementation
  - ClearQuest Administration - Automation
  - ClearQuest Administration - User Administration
  - User Interface
- 

**Test Name :** Rational Functional Tester (RFT)

**Description :** SkillSign's Rational Functional Tester (RFT) test in assesses your knowledge of IBM's RFT environment.

**Syllabus :** **Test Outline**

- ENV (navigation, configuring and enabling environments, test project, preferences)
  - REC (recording process, insert recording, script support functions)
  - PLY (play back, testing the test, regression testing, use of
-

- comparators)
- EXT (extending scripts, modifying scripts, components of script)
- OBJ (test object maps, pattern-based recognition, controlling recognition)
- LOG (types of logs, logging options, use of comparators)
- DAT (data-driven testing, creating and editing datapools)
- VP (verification points)

---

**Test Name :** Rational Functional Tester for Java

**Description :** SkillSign's Rational Functional Tester for Java Test helps you practice for IBM's Rational Functional Tester for Java certification 000-842.

**Syllabus :** **Test Outline**

- ENV (navigation, configuring and enabling environments, test project, preferences)
- REC (recording process, insert recording, script support functions)
- VP (verification points)
- PLY (play back, testing the test, regression testing, use of comparators)
- LOG (types of logs, logging options, use of comparators)
- EXT (extending scripts, modifying scripts, components of script)
- OBJ (test object maps, pattern-based recognition, controlling recognition)
- DAT (data-driven testing, creating and editing datapools)

---

**Test Name :** Rational Performance Tester

**Description :** SkillSign's Rational Performance Tester Test helps you practice for IBM's Rational Performance Tester certification 000-647.

**Syllabus :** **Test Outline**

- WRK (Workload Analysis, model the system, identify goals and measurements)
- CRE (Creating and enhancing tests, record transactions, modify tests, validate and debug tests, adding test elements, custom code)
- DAT (Managing test data, using datapools, data correlation)
- SCH (Creating and enhancing schedules, design and represent workloads in RPT, settings, large user runs)
- RPT (Reporting, evaluate results, customize reports, extract/export data from reports)

**Test Name :** Rational Rose Fundamentals

**Description :** SkillSign's Rational Rose Fundamentals Test assesses your working knowledge of Rational Rose.

**Syllabus :** **Test Outline**

- UML and the Modeling Process
- Concepts of Object Orientation
- Architectural Analysis
- Use Case Analysis
- Use Case Design
- Subsystem Design
- Class Design

---

**Test Name :** Rational Unified Process Fundamentals

**Description :** SkillSign's Rational Unified Process Fundamentals Test assesses your working knowledge of Rational Unified Process.

**Syllabus :** **Test Outline**

- Iterative Development Principles
- Iterative Development Work Products
- Basic Method Elements and their Relationships
- Basic Process Elements and their Relationships
- Basic Content of Disciplines

---

**Test Name :** RDBMS Concepts Practice Free

**Description :** SkillSign's RDBMS Concepts Sample 10 question test assesses your understanding and knowledge of relational database principles.

**Syllabus :** This Test is designed for both programmers and administrators and covers the following topics: Managing the RDBMS, Data Normalization, Programming, Security, Logical Data Model, Performance, The Physical and Relational Data Model, and Structured Query Language.

**Test Outline**

- Data Normalization
- Logical Data Model
- Managing the RDBMS
- Performance
- Physical and Relational Data Model
- Programming

---

- Security
- Structured Query Language

---

**Test Name :** SCJP 5 Mock

**Description :** SkillSign's SCJP 5 Mock test assesses your preparedness for the Sun Certified Java Programmer 5(SCJP 1.5) exam.

**Syllabus :** SkillSign's SCJP Mock test 1 assesses your understanding and knowledge of Java language Programming on following topics.

**Test Outline**

- Declaration and Initialization
- OOPS Concepts
- Strings and Operators
- Inner classes
- Flow control exceptions
- Thread concurrency
- Overloading
- Memory Management

---

**Test Name :** SCJP 6 Practice

**Description :** SkillSign's SCJP 6 Practice Test 1 helps you practice for Oracle Certified Professional, Java SE 6 Programmer certification CX-310-065.

**Syllabus :**

**Test Outline**

- Declarations, Initialization and Scoping
- Flow Control
- API Contents
- Concurrency
- OO Concepts
- Collections / Generics
- Fundamentals

---

**Test Name :** SCJP 6 Practice Free

**Description :** SkillSign's SCJP 6 Sample Test helps you practice for Oracle Certified Professional, Java SE 6 Programmer certification CX-310-065.

**Syllabus :**

**Test Outline**

- Declarations, Initialization and Scoping
- Flow Control

- API Contents
  - Concurrency
  - OO Concepts
  - Collections / Generics
  - Fundamentals
- 

**Test Name :** SCWCD 5 Mock

**Description :** SkillSign's Sun Certified Web Component Developer Mock test ( SCWCD5 ) is intended to measure proficiency in creating and implementing web applications.

**Syllabus :** Test Outline

- Servlet Technology Model
  - Structure and Deployment of Web Applications
  - Web Container Model
  - Session Management
  - Web Application Security
  - JavaServer Pages (JSP) Technology Model
  - Expression Language (EL)
  - J2EE Patterns
  - Tag Libraries and Custom Tag Library
- 

**Test Name :** Senior Linux Professional - Core

**Description :** SkillSign's Senior Linux Professional - Core Mock Test is designed to help the candidate practice for Linux Professional Institute Level 3 - 117-301 certification.

**Syllabus :** Test Outline

- Concepts, Architecture and Design
  - Installation and Development
  - Configuration
  - Usage
  - Integration and Migration
  - Capacity Planning
- 

**Test Name :** Senior Linux Professional - Mixed Environments

**Description :** SkillSign's Senior Linux Professional - Mixed Environments Mock Test is designed to help the candidate practice for Linux Professional Institute Level 3 - 117-302 certification.

---

**Syllabus :**

**Test Outline**

- Concepts, Architecture and Design
  - Compile and Install Samba
  - Samba Configuration and Usage
  - Usage
  - User and Group Management
  - Working with CIFS, NetBIOS, and Active Directory
  - Security and Performance
- 

**Test Name :**

Siebel 7.7 Application Developer Professional Core

**Description :**

SkillSign's Siebel 7.7 Application Developer Professional Core mock test is designed to help candidate practice for Siebel Exam 1Z0-620.

**Syllabus :**

**Test Outline**

- Siebel Analytics Overview
  - Siebel Analytics Architecture
  - Analytics Repository Basics
  - Working with Siebel Answers
  - Views and Charts in Requests
  - Creating Intelligence Dashboards
  - Configuring Intelligence Dashboards
  - Customizing the Analytics Web User Interface
  - Administering Siebel Analytics Applications
  - Design Principles and Best Practices
- 

**Test Name :**

Siebel 7.7 Application Developer Professional Core Free

**Description :**

SkillSign's Siebel 7.7 Application Developer Professional Core mock test is designed to help candidate practice for Siebel Exam 1Z0-620.

**Syllabus :**

**Test Outline**

- Siebel Analytics Overview
  - Siebel Analytics Architecture
  - Analytics Repository Basics
  - Working with Siebel Answers
  - Views and Charts in Requests
  - Creating Intelligence Dashboards
  - Configuring Intelligence Dashboards
  - Customizing the Analytics Web User Interface
  - Administering Siebel Analytics Applications
-

- Design Principles and Best Practices
- 

**Test Name :** Siebel 7.7 Consultant Core

**Description :** SkillSign's Siebel 7.7 Consultant Core mock test is designed to help candidate practice for Siebel Exam 1Z0-615.

**Syllabus :** **Test Outline**

- Foundations and Overview
  - Architecture and Installation
  - Security and Access Control
  - Exploring Siebel Applications
  - Configuration
  - Deployment
  - Business Process Automation
  - Data Loads
- 

**Test Name :** Siebel 7.7 Data Warehouse Developer Professional Core

**Description :** SkillSign's Siebel 7.7 Data Warehouse Developer Professional Core mock test is designed to help candidate practice for Siebel Exam 1Z0-640.

**Syllabus :** **Test Outline**

- Siebel Analytics Overview
  - Siebel Analytics Architecture
  - Understanding the ETL Process
  - Exploring Siebel SDE and SIL Mappings
  - Working with Informatica Workflow Manager
  - Identifying SRMW Extension Tables and Columns
  - Populating the Siebel Relationship Management Warehouse
  - Managing SRMW Performance
  - Date Dimension Values
  - Migrating DAC
- 

**Test Name :** Siebel 7.7 Server Architect Professional Core

**Description :** SkillSign's Siebel 7.7 Server Architect Professional Core mock test is designed to help candidate practice for Siebel Exam 1Z0-630.

**Syllabus :** **Test Outline**

- Siebel Analytics Overview
  - Exploring Siebel Analytics User Interfaces
-

- Siebel Analytics Architecture
- Implementation Methodology
- Repository Basics
- Adding Multiple Sources to a Dimension
- Creating Dimensional Hierarchies and Level-Based Measures
- Using Aggregates
- Using Partitions or Fragments
- Modeling Time Series Data
- Cache Management
- Analytics Security
- Security

---

**Test Name :** Siebel 8 Consultant Practice

**Description :** SkillSign's Siebel 8 Consultant Test helps you practice for Siebel 8 Consultant certification 1Z0-202.

**Syllabus :** **Test Outline**

- Introducing Siebel Applications
- Using the Siebel Web Client
- Working With Siebel Data
- The Siebel Web Architecture
- Server Management
- Securing Access to the Application
- Siebel Business Components
- Siebel Business Objects
- Configuration Strategy and Configuration Process
- Managing,Editing and Compiling Object Definitions
- UI Layer Configuration: Web Templates,Applets
- Business Layer Configuration: New Business Components and Fields
- Securing Access to the Application
- Building Siebel Workflow Processes
- Executing Workflow Processes
- Task UI: Creating a Task
- Introducing Siebel Assignment Manager
- Introducing Application Deployment Manager
- Deploying Application Customizations

---

**Test Name :** Siebel 8 Consultant Practice Free

**Description :** SkillSign's Siebel 8 Consultant Practice Test helps you practice for Siebel 8

Consultant certification 1Z0-202.

**Syllabus :**

**Test Outline**

- Introducing Siebel Applications
- Using the Siebel Web Client
- Working With Siebel Data
- The Siebel Web Architecture
- Server Management
- Securing Access to the Application
- Siebel Business Components
- Siebel Business Objects
- Configuration Strategy and Configuration Process
- Managing, Editing and Compiling Object Definitions
- UI Layer Configuration: Web Templates, Applets
- Business Layer Configuration: New Business Components and Fields
- Securing Access to the Application
- Building Siebel Workflow Processes
- Executing Workflow Processes
- Task UI: Creating a Task
- Introducing Siebel Assignment Manager
- Introducing Application Deployment Manager
- Deploying Application Customizations

---

**Test Name :** Sun Solaris 9 System Administration

**Description :** SkillSign's Sun Solaris 9 System Administration Test assesses your skills to administer Sun Solaris 9 operating system.

**Syllabus :**

**Test Outline**

- Install Software
- Manage File Systems
- Perform System Boot Procedures
- Perform User and Security Administration
- Manage Network Printers and System Processes
- Perform System Backups and Restores

---

**Test Name :** Sybase Adaptive Server Enterprise 12.5 Administrator Associate

**Description :** SkillSign's Sybase Adaptive Server Enterprise 12.5 Administrator Associate Test helps you practice for Sybase certification Exam 510-020.

**Syllabus :**            **Test Outline**

- Adaptive Server Enterprise Overview
- Adaptive Server Enterprise New Features
- Configuration, Upgrade & Installation
- Resource Allocation
- Database and Logs
- Backup and Recovery
- Extensible New Limits
- Cache Management
- Security
- Transaction Management
- Dynamic Reconfiguration
- Parallel Performance
- Locking and Concurrency
- Object Resource Management

---

**Test Name :**            Sybase Adaptive Server Enterprise 15.0 Administrator Associate

**Description :**        SkillSign's Sybase Adaptive Server Enterprise 15.0 Administrator Associate Test helps you practice for Sybase certification Exam 510-025.

**Syllabus :**            **Test Outline**

- Adaptive Server Enterprise Overview
- Adaptive Server Enterprise New Features 15.0
- Configuration, Upgrade & Installation
- Resource Allocation
- Database and Logs
- Backup and Recovery
- Cache Management
- Security
- Transaction Management
- Dynamic Reconfiguration
- Parallel Performance
- Locking and Concurrency
- Object Resource Management

---

**Test Name :**            TOGAF 9 Foundation

**Description :**        SkillSign's TOGAF 9 Foundation assess knowledge of the terminology, basic concepts of TOGAF 9 and core principles of Enterprise Architecture and TOGAF.

**Syllabus :** Standard Syllabus

---

**Test Name :** Using MS PowerPoint

**Description :** SkillSign's Using MS PowerPoint test assesses your understanding and knowledge of main Microsoft Word features.

**Syllabus :** This test is designed for experienced business users and assesses on the following topics: Content, Presentations, Animation and Slideshows, Objects, Presentation Management and Delivery, Review and Slide Setup.

**Test Outline**

- Interface
  - Objects
  - Presentation Management
  - Presentations
  - Proof and Review
  - Slide Setup and Preparation
  - Animation and Slideshows
  - Content Finding and Replacing Text and Fonts
- 

**Test Name :** VCP on VI4

**Description :** SkillSign's VCP on VI4 Practice Test helps you practice for VMWare's VCP4 certification.

**Syllabus :** **Test Outline**

- Plan, Install and Upgrade VMware
  - Configure Networking
  - Configure Storage
  - Install and Configure vCenter Server
  - Deploy and Manage Virtual Machines and vApps
  - Manage Compliance
  - Establish Service Levels
  - Perform Basic Troubleshooting and Alarm Management
- 

**Test Name :** Web Application Development with .NET 4 - TS

**Description :** SkillSign's Web Application Development with .NET 4 test is designed to test the candidate's knowledge for developing Web applications using ASP.NET and the Microsoft DOTNET Framework 4.MCTS 70-515

**Syllabus :** **Test Outline**

- Web Forms pages
-

- Master pages, themes and page layouts
  - user controls and server controls
  - Taking Control of the User Interface
  - Adding dynamic features using javascript
  - DOM
  - ASP.NET AJAX
  - Authentication and authorization
  - HttpHandlers and HttpModules
  - Data-bound and datasource controls
  - LINQ
- 

**Test Name :** Web Based Applications Using MS.NET Framework 4 ( C# )

**Description :** SkillSign's Web-Based Applications Using the Microsoft .NET Framework 4(C#) Test helps you practice for Designing and Developing Web-Based Applications by Using the Microsoft .NET Framework 4(C#) certification 70-547.

**Syllabus :** **Test Outline**

- Envisioning and Designing an Application
  - Designing and Developing a User Interface
  - Designing and Developing a Component
  - Designing and Developing an Application Framework
  - Testing and Stabilizing an Application
  - Deploying and Supporting an Application
- 

**Test Name :** Web Based Applications Using MS.NET Framework 4 ( VB )

**Description :** SkillSign's Web-Based Applications by Using the Microsoft .NET Framework 4(VB) Test helps you practice for Designing and Developing Web-Based Applications by Using the Microsoft .NET Framework 4(VB) certification 70-547.

**Syllabus :** **Test Outline**

- Envisioning and Designing an Application
  - Designing and Developing a User Interface
  - Designing and Developing a Component
  - Designing and Developing an Application Framework
  - Testing and Stabilizing an Application
  - Deploying and Supporting an Application
-

**Test Name :** Windows Applications Development with .NET 4 - TS  
**Description :** SkillSign's Windows Applications Development with .NET 4 test is designed to test the candidate's knowledge and skills for developing applications using Microsoft DOTNET Framework. MCTS 70-511

**Syllabus :** **Test Outline**

- Windows Client Application Design
- Introduction to Visual Studio 2010 and WPF
- Designing and Developing a User Interface
- Taking Control of the User Interface
- Testing, Unit Testing and Debugging
- Sample Data Binding and Validation
- Data Binding to Collections
- Enhancing UI Responsiveness
- Integrating Localization and User Assistance Features
- WPF 2D Graphics, Multimedia and Printing
- Control Customization
- Attached Properties and Behaviors in WPF
- Animations in WPF
- Application State, Settings and Lifecycle
- Configure and Deploy Windows Client Applications

---

**Test Name :** Windows Communication Foundation Development with .NET Framework 4  
**Description :** SkillSign's Windows Communication Foundation Development with .NET Framework 4 Test helps you practice for Microsoft exam 70-513.

**Syllabus :** **Test Outline**

- Creating Services
- Hosting and Configuring Services
- Consuming Services
- Securing Services
- Managing the Service Instance Life Cycle
- Monitoring and Troubleshooting Distributed Systems

---

**Test Name :** Windows Server 2008 - Server Administrator  
**Description :** SkillSign's Windows Server 2008 - Server Administrator Test helps you practice for Microsoft PRO exam 70-646.

**Syllabus :** **Test Outline**

- Planning for Server Deployment

- Planning for Server Management
  - Monitoring and Maintaining Servers
  - Planning Application and Data Provisioning
  - Planning for Business Continuity and High Availability
- 

**Test Name :** Windows Server 2008 R2 Desktop Virtualization

**Description :** SkillSign's Windows Server 2008 R2 Desktop Virtualization Test helps you practice for Windows Server 2008 R2, Desktop Virtualization certification (TS) exam 70-669.

**Syllabus :** **Test Outline**

- Deploying and Managing an Enterprise Desktop Virtualization Environment
- Deploying and Managing a Presentation Virtualization Environment
- Deploying and Managing an Application Virtualization (App-V) Environment
- Managing a Virtual Desktop Infrastructure Environment

---

**Test Name :** Windows Small Business Server 2008

**Description :** SkillSign's Windows Small Business Server 2008 Test helps you practice for Microsoft TS exam 70-653.

**Syllabus :** **Test Outline**

- Deploying Hardware and Software for SBS Servers
- Migrating to SBS 2008
- Deploying Hardware and Software for Computers on the Network
- Maintaining Systems and Services Availability
- Maintaining Remote Access
- Maintaining Users and Computers
- Maintaining Collaboration
- Maintaining Messaging

---

**Test Name :** XML Concepts

**Description :** SkillSign's XML test assesses your understanding and knowledge of XML application development. This test is meant for experienced programmers.

**Syllabus :** This course covers the following topics: covers the following topics: Combining Technologies, Emerging or Future Technologies, General Knowledge and XML Contacts, XML Namespaces, XML Software, and

---

XML Specifications.

## Test Outline

- XML Syntax
- DTDs
- Namespaces
- XHTML
- XML Schemas
- XLink
- XPointer
- XSL
- XPath
- XML DOM
- Concepts
- XML Data Type

---

## SkillSign's Test Plan

---

**Test Plan Name :** CCNA Prep ( 3 Tests )

**Description :** SkillSign's CCNA Prep ( 3 tests ) is a preparation test plan for Cisco Certified Network Associate certification 640-802. It contains 3 tests of 40Q each covering various exam topics.

  - Installing the Oracle Database Software
  - Creating an Oracle Database
  - Managing the Oracle Instance
  - Managing Database Storage Structures
  - Administering User Security
  - Managing Schema Objects
  - Managing Data and Concurrency
  - Managing Undo Data
  - Configuring the Oracle Network Environment
  - Proactive Maintenance
  - Performance Management
  - Backup and Recovery Concepts
  - Performing Database Backup
  - Performing Database Recovery
  - Performing Flashback
  - Moving Data
- 

**Test Plan Name :** PMP Prep ( 10 tests )

**Description :** SkillSign's PMP Prep ( 10 tests ) is a preparation test plan for Project Management Institute's PMP certification based on PMBOK 4th edition. It contains 10 tests of 20 Questions each covering foundation and nine knowledge areas.

**Syllabus :**

**Test Plan Outline**

- PMBOK Foundation and Project Essentials
  - Integration
  - Scope
  - Time
  - Cost
  - Quality
  - Human Resources
  - Communications
  - Risk
  - Procurement
-

**Test Plan Name :** QuickTest Professional 10.0 Prep ( 7 tests )

**Description :** SkillSign's QuickTest Professional 10.0 Prep ( 7 tests ) is a preparation test plan for HP QuickTest Professional 10 certification. It contains 7 tests of 20Q each covering various exam topics.

**Syllabus :** **Test Plan Outline**

- Actions
- Object Repository
- CheckPoints and Synchronization
- Parameterization and Regular Expressions
- Test Run Results ,Path
- Debug and Recovery
- Data Table and API

---

**Test Plan Name :** SCJP 6 Prep ( 7 tests )

**Description :** SkillSign's SCJP 6 Prep ( 7 tests ) is a preparation test plan for Oracle OCJP/SCJP 6 certification CX-310-065. It contains 7 tests of 20Q each covering all 7 exam topics.

**Syllabus :** **Test Plan Outline**

- Declarations, Initialization and Scoping
  - Flow Control
  - API Contents
  - Concurrency
  - OO Concepts
  - Collections / Generics
  - Fundamentals
-
